The largest building is the Hotel Williams. Next to it is the Williams House (Williams Hotel Annex), HABS No. MI-258 A. Below them are the log cabins built by the American Fur Company (from left to right): Log Building No. 1 (MI-258 C), Log Building No. 2 (MI-258 D), Log Building No. 3 (not documented), Log Building No. 4 (MI-258 E), and Log Building No. 5 (MI-258 F). (Williams Log House, MI-258 B, and Log Building No. 8, MI-258 G, are not shown). The drawing is in the collection of the Michigan Historical Commission. Although it does not have a date, it was painted in the early 20th century after the main building was constructed.
